Holiday Happenings at Holley Elementary

On Dec. 22, students and staff gathered to celebrate and sing holiday songs at the annual sing-along. Sally Martin, choral director, and Hannah Bock, band director, led the chorus and band performances of familiar holiday tunes for the students to listen to and sing along. Assistant Principal Tim Artessa even guest conducted the band in "Frosty the Snowman." Two of the students' favorite songs were the "12 Days of Christmas" and "Must be Santa." Holley staff members were selected from the audience, and they brought along students to hold up picture cues to help the audience sing all the verses of both songs. Fourth graders played "Jolly Old St. Nicholas" on their recorders. Teacher Crystal Elliott won the Ugly Sweater Contest among the faculty and staff.

Kindergarteners went caroling through the Village of Holley in December, bringing small treats to residents. Here they are visiting the Heises.

Second graders made gingerbread houses in the Elementary Café on Dec. 19, with help from family members and members of the National Junior Honor Society and Middle School Student Council. Houses were constructed in the morning, left to dry, and then decorated in the afternoon.

First graders participated in Grinch Day. Here, the Grinch is seen with some members of Whoville.

Kindergarten students participated in making holiday crafts.

Pizza Peels on Display at Dustin's Pizzeria

High school students in Brandi Zavitz's and Evinne Meadow's art classes completed their projects of creating menu items and painting Holley landmarks onto pizza peels for an art display at Dustin's Pizzeria. Pizza peels are wooden paddles used to remove pizzas from the restaurant's ovens. Customers are invited to visit Dustin's Pizzeria and vote for their favorite peels until Feb. 4. Art students will attend a reception on Feb. 7, where the winners for each class will be revealed.

District Website Has a New Look

If you've visited the Holley Central School District website lately, www.holleycsd.org, you may have noticed that the website has a new look and feel to it. It still features an online calendar that you can sync to your electronic device, access to our reorganized information and resources, many photographs of our students, news items, and a search function to find anything on the site. Important documents and links to resources are now located on the right side of each page under the Downloads and Links headings, as appropriate. Our new website is able to be used by online screen readers for the visually impaired, as part of the district's compliance with the Americans with Disabilities Act (ADA).

Some improvements we have made include being able to access our social media accounts from any page within the site by clicking the Facebook or Twitter icons at the bottom of the page. To help you locate Holley faculty and staff members, click the people icon in the lower right corner of any page, and the staff directory will open. Feedback may be submitted by clicking the envelope icon located on the lower right corner of any page. By clicking the house icon at the top or bottom of any page, you are returned to the Home page of the site.

We hope you enjoy this fresh look into our district and visit our site often to stay updated on the latest news and events.

ES Student Council Raises Money to Help a Former Student

by Sally Martin, ES Student Council Advisor

The ES Student Council has placed their collection containers in local businesses. They are raising funds to help Sierra Mendes, a former Holley student, purchase a running blade for her prosthetic leg. Sierra was involved in a serious car accident that severely injured her legs.

The ES Student Council is making plans to host a Walk-a-thon next month to help raise more funds. Thank you for your support of us in this fundraiser!

Rotary Club Helps Spread Some Joy This Holiday Season

The Holley Rotary Club made a \$1,000 donation to Holley Elementary at the Dec. 18 Holley BOE meeting. This gift allowed the ES social worker to distribute the Walmart gift cards to those families in need within the district before the holidays. Accepting the gift cards are, pictured from left, Principal Karri Schiavone, BOE and Rotary Club member John Heise, Assistant Principal Tim Artessa and Rotary Club member Jeff Martin.

Soaring Awards

Dr. Dan Schiavone received the "Soaring to New Heights" award at the Holley Board of Education (BOE) meeting on Dec. 18. This award is given monthly to deserving students and adults who go above and beyond expectations, and lend their skills and abilities to help others. Dr. Schiavone received the Soaring award from BOE President Brenda Swanger for his continuous generous donations to the district's Food for Families and Holley Days of Shopping programs.

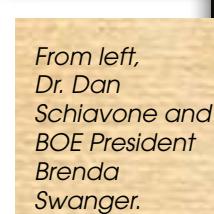

Elementary Principal Karri Schiavone honored fourth grader Sheelsy Gonzalez with the "Soaring to New Heights" award for her willingness to take two new students from Puerto Rico under her wing. Sheelsy acts as an interpreter and tour guide, helping the new students navigate the cafeteria lines and open their lockers, teaching other students some Spanish so they can communicate with their new classmates, and translating for adults so they can speak with the students' parent. "Sheelsy comes in with a smile every day, willing to help with whatever is needed," said Principal Schiavone. "Sheelsy came to the Elementary School from Mexico when she was in kindergarten, so she can really relate to the new students' experience."

FOOD FOR FAMILIES

Mid-winter recess is fast approaching in February. We know that a week with no school in session means hungry mouths to feed. Our Food for Families program can help with those "extra" meals that the kids will now be home for. This program provides your family with a small bag of food to help get through the week off from school. This program is first come, first served, so please call Roxanne Wagner in the MS/HS Main Office at 638-6318, extension 5500 to reserve your food. The registration deadline is Wednesday, Feb. 14 by 1 p.m. Unfortunately, there is no "drop off" service. You will need to pick up your food on Feb. 15 from 9 a.m.-3 p.m. at the Community Center.

Holley Staff Give Back to the Community

by Karin Richards, Fourth Grade Teacher

The Holley Teachers Association (HTA) PR Committee worked with The Eastern Orleans Community Center to provide 20 Thanksgiving dinners to families, with HTA PR Committee members making the deliveries.

Gifts were purchased for 60 individuals in need during the holidays, too. Recipients' information was put on tags on the Giving Tree, which was made available to both schools' staff members. Holley staff members voluntarily selected a tag, bought the gift and brought the wrapped gift back to school. We have hosted the Giving Tree event for over 10 years. Every year, staff members are excited about giving gifts to members of the Holley community.

Even though these events are sponsored by the HTA, staff members from **all areas of the school district** participate by signing up to purchase an item for Thanksgiving dinner, as well as taking a tag from the Giving Tree. Thank you to all who gave so generously.

Alt HS Students Help First Graders

by Tracy Annable, ELA Teacher

During ELA time, Tara Grillo's and Leslie Piedmonte's first grade class wrote letters to Santa. The responses to those letters were delivered by Santa's elves to the Alternative High School students, who distributed the responses to the first grade recipients. The older students spent time reading with the younger students, then showed them how to sprinkle reindeer food outside. This was a great opportunity for partnership between the two groups of students. It was really nice to see the huge hearts our "elf helpers" have!

Track Fundraiser

The Holley Track Team is hosting a fish fry dinner on March 16. Tickets are \$12 each and can be purchased from a track team member beginning March 5. Krolik's fish fry dinners will be served at the MS/HS Dining Hall from 3-6:30 p.m. Orders are also available for takeout. Help support the track team!

PARP Program Popular Again with Elementary Students

Holley Elementary's Pick A Reading Partner (PARP) program proved popular once again with students. With the prize of taking a limo ride to McDonald's for lunch motivating them, students began reading on their own or with a partner on Dec. 11. They tracked their minutes all through holiday break until the program ended on Jan. 5. Their reading logs were turned in and two winners from each grade level were revealed at the assembly on Jan. 19. The PTSA sponsored this event to encourage students to enjoy reading. The winners were: Brielle Carpenter, Cian Foss, Aidan Soehner, Haidyn Gomez, Leon King, William Butler, Calista Maggard, Peyton Caufield, Mason Girangaya, Bella Hernandez, Alyssa Lipke, Liam Jenks, Zachary Fichter, Laura Moak, Stephanie Miles, Cora Hudzinski, Bella Thom and Carter McGuire. Congratulations! Note: Pre-K students will not take the limo ride, but have a special treat with Principal Karri Schiavone at a later date.

New this year was PARP t-shirts for all the elementary students provided by the Holley PTSA. They were designed by Holley senior Andrea Payne. All students wore their turquoise t-shirts to the assembly where the PARP winners were revealed.

COUNSELING News

Scholarship Opportunities

This time of year, scholarships are added to the list weekly. Keep an eye on new scholarships; they are located in the Counseling Office and on our website: <http://www.holleycsd.org/Scholarships2017-18.aspx>. Please pay attention to the deadlines. Apply early! Please see Kristina Tese for more details. In addition, most colleges offer their own scholarships; please check their websites.

Attention: Seniors

The Free Application for Federal Student Aid (FAFSA) is available at www.fafsa.gov. The FAFSA is the source of all federal and state aid, loans and work study programs. The form must be completed online and submitted to each college before their due dates in order to be eligible for these programs. Additionally, worksheets can be printed out from the FAFSA website to assist in this process. As a reminder, do not mail the worksheets to the colleges. If you need additional assistance in completing these forms, please contact FAFSA directly at 1-800-4-FED-AID (1-800-433-3243) or visit <https://studentaid.ed.gov/sa/home>. If you are planning to attend a four-year institution, you will need to complete the application as soon as possible. Those students who have applied to two-year institutions should be making appointments to take placement tests. If you have already applied and been accepted to a two-year institution, you should be meeting with your advisors. As a reminder, please inform your counselor as to which college(s) you have been accepted to.

Attention: Juniors

What are your plans after graduation? Attending college? Working full-time? Now is the time to start thinking about the direction you would like to take. Counselors recently met with juniors to discuss their PSAT results, create their accounts on www.collegeboard.com and do some career exploration in order to get them thinking about life after high school. If you haven't registered for the SAT/ACT, now would be the time to do so. Many four-year colleges require the exams as part of the admission process. Don't delay!

Armed Services Vocational Aptitude Battery (ASVAB)

Test will be administered at the MS/HS on Feb. 26. If you plan on enrolling in the military upon graduation, this test is mandatory. Any student in grades 10-12 who is interested in taking the exam needs to register with Kristina Tese in the Guidance Office. If you would like to know more about which careers you would be successful in, we recommend registering for the test. The ASVAB workshop to review and discuss student results will be on March 6.

Students of the Month for December

Holley Central Schools recognizes Students of the Month in grades K-12. Elementary students are nominated from each classroom, and middle and high school students are nominated in each subject area, all on a monthly basis. Each student receives a certificate with their photo on it and the nomination from their teacher written on it. The certificates are also displayed in the glass display case outside the MS/HS Library and then filed in a binder in the MS/HS Main Office. Pictures of the elementary students are displayed in the hallway near the Elementary Library and archived in a binder in the library.

Once each month, students of the month from grades K-12 have breakfast together with the principals in the Elementary Café or MS/HS Dining Hall (location rotates monthly). Breakfast is supplied by Food Service Director Vickie Scroger and her cafeteria staff.

PRE-K EMBRACES SNOW

by Allison Jaworski, Pre-K Teacher

Allison Jaworski and Amy Bennage's Pre-K friends have been busy exploring snow! They have been using snowflakes and mittens to count to 15, and snowballs to make their names into snowmen. After playing in the cold snow, they warmed up with some hot cocoa math. We are SNOW HAPPY in Pre-K!
