Holley Central School District · MAY 2020

A Message from the BOE

The Holley Board of Education and administrative team have spent the past four months developing the 2020-21 School Budget. Our work began back in January with a series of budget workshops that focused on key elements of the budget from the Property Tax Cap to individual line items. With the added challenge of the COVID-19 situation and not knowing what the eventual impact will be on both our federal and state aid revenues, this has been an especially challenging year to prepare our budget.

Even with the unforeseen challenges we've faced this year, our guiding principle to prepare our school budget continues to be: **How do we provide the best instructional and extracurricular programs, yet still be fiscally responsible to our taxpayers to ensure the long-term fiscal health of our district?** The Board met on multiple occasions to review building and department budgets, enrollment projections, reductions and efficiencies, the use of fund balances and reserves, and how the Governor's budget and the possibility of additional cuts in state aid will impact our decisions.

An important part of our commitment to the Holley community is to provide a cost-effective, high-quality program for our students. While we made some reductions in our budget in order to meet our goals, we did our best to avoid cuts that had a direct impact on students and programs. To that end, we are pleased to present you with the proposed 2020-21 school budget. This year's budget did not increase at all from our current

year and contains a 1.95% tax levy increase, which is below our 2.11% NYS Property Tax Cap limit. We believe that this tax levy is fair, accounts for increases in contractual and inflationary costs along with decreases in our state aid, and still allows us to deliver high-quality instructional and extracurricular programs that are expected in our community.

In addition to the budget, we are also asking you to vote on two additional propositions as seen in prior years: Proposition 2, which will authorize us to purchase three buses (two full-size and one small) for replacement purposes; and Proposition 3, support the Holley Community Free Library.

Please take a moment to read through the enclosed materials. If you should have any questions or would like any additional information regarding the proposed budget, please feel free to contact any Board of Education member, Superintendent Brian Bartalo at 585-638-6316, extension 2003, or Assistant Superintendent for Business Sharon Zacher at 585-638-6316, extension 2001.

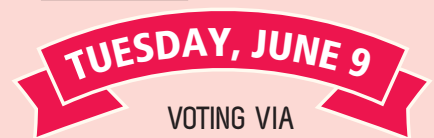

Thank you for your ongoing support of the students of the Holley Central School District. Please remember to send us your absentee ballot by 5 p.m. on June 9, 2020.

Sincerely,
Robin Silvis
Board of Education President

The annual budget vote for the fiscal year 2020-21 by the qualified voters of the Holley School District, Orleans County, NY, will be held via absentee ballot. Ballots will be mailed to qualified voters and must be returned via the enclosed postage-paid envelope by Tuesday, June 9, 2020 by 5 p.m., prevailing time, at which time votes will be manually counted.

Completing Your Absentee Ballot

Qualified district residents will receive an envelope in the mail that will include the following three items:

1. An official ballot to be completed
2. A smaller envelope that has a Statement of Absentee Voter on the back
3. A larger self-addressed, stamped envelope addressed to the Holley Central School District

After completing the ballot, fold and enclose it in the envelope that has the Statement of Absentee Voter on the back. Make sure the envelope is sealed. Sign and date the back of the envelope. You only need a

witness' signature if you are not capable of signing the envelope and can only make a mark such as an X. If the front of that same envelope does not already include your name as the voter and your address, please fill that in. The poll site is not needed. **Please remember to sign the Statement of Absentee Voter. We cannot open ballots that are not signed by the voter.**

Put the signed envelope that includes your completed ballot into the postage paid envelope that is addressed to the District Clerk and mail said envelope. All completed ballots must be received by June 9, 2020 at 5 p.m. in order to be valid.

Proposed 2020-21 Three-Part Budget

Current 2019-20 Three-Part Budget

Budget Q & A

Does the budget include any changes in academic programs for our students?

No. The Board of Education has continued all of the existing school day academic programs and courses the district currently offers.

Is Holley below the "tax levy limit"?

Yes. The Board of Education is proposing a 1.95% tax levy increase. The tax levy limit is 2.11%. The average tax rate will be approximately \$22.7166 per \$1,000 of assessed value.

How is the tax levy different from a tax rate?

A tax levy equals the total amount of money the school district will collect from local property owners to fund its budget. It is calculated after factoring in all other revenues, including state aid. The tax rate – or the amount to be charged for every \$1,000 of assessed property value – is calculated by dividing the tax levy by the total assessed value of the school district, which is determined by the town assessment office and issued July 1. Tax rates cannot be calculated until August, when final equalization rates become available.

With the tax levy limit law, does the public still vote on a school budget?

Yes. Residents will still vote on a proposed school budget on June 9 via absentee ballot.

Board of Education Candidates

Residents will be asked to elect two members to the Board of Education (BOE). The two candidates receiving the highest number of votes, including write-ins, will each be elected to a three-year term, effective July 1, 2020. The seats are now occupied by Robin Silvis and Andrea Newman. Three individuals have submitted candidate petitions. You may also write in candidate's names, but in no case can you vote for more than two candidates in total.

The following candidates have submitted petitions, and Nancy Manard MacPhee, Andrea Newman and Robin Silvis will appear on the ballot. Below are their profiles.

Name: Nancy Manard MacPhee

Address: 4877 South Manning Road, Holley, NY

Employment: Branch Manager at Key Bank N.A. - Albion Branch

Education: A.S. degree from Monroe Community College

Family: husband, Jeffrey MacPhee; two daughters: Shashona MacPhee in 11th grade and Holley alumna Brenna (Justin) Pollock; and granddaughter, Anna Belle Ray Pollock

School/Community Activities: Past President of Holley PTSA; member of Holley LDC, Girl Scouts of Genesee Valley, Holley June Fest Committee, Holley Main Street Grant Committee, and Holley Rotary Club; Pop Warner Youth Football and Cheerleading board member; Rochester Youth Football and Cheerleading (RYFC) Commissioner and Cheer Coordinator; United Way participant; hosted nine international students through the Exchange Foundation; and volunteered many hours.

What motivates you to run for the Holley Board of Education? I am running for the Holley School Board because I believe that education is essential. Educating our youth directly impacts their future and the future of our communities, county and nation. Considering

our current situation, the Holley Central School District is going to be facing several new challenges in the upcoming year, and this is going to require commitment and great leadership from the BOE. As the Key Bank Branch Manager in Albion, and with my professional background, I feel I can help navigate through this COVID-19 experience. I am committed to listening first, being thoughtful and respectful, and building a strong partnership to support the well-being of our students, faculty and families in the district. A community is only as strong as its school. Please consider nominating me to the school board. You may recognize my name from the many activities I have been involved in (see list under School/Community Activities).

Name: Andrea Newman

Address: 4014 South Fancher Road, Holley, NY

Employment: Career Services & Student Success Coach at Genesee Community College (GCC); adjunct faculty member in the GCC Human Communications & Behavior Department

Education: Master of Arts from The College at Brockport in Communication Studies and Bachelor of Arts from SUNY Genesee in Mass Media Communication & Studio Art

Family: husband, Dean, daughter, Lily, in sixth grade and son, Jack, in fourth grade

School/Community Activities: Outside of family and work, I invest much of my free time in serving our community as a current Holley Board of Education member. Beyond that, I am a newly-anointed hockey

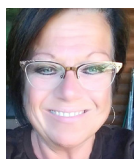

mom, volunteering as needed at games and events. I'm also a dance mom, and I'm not afraid to try my hand at a dance move or two in the annual family dance number!

What motivates you to run for the Holley Board of Education? We have a duty to contribute to our community wherever and however we can. I bring value to the Board through my professional experience and motivation to help others succeed. I have worked my entire professional career helping students prepare for the world beyond the classroom. When I see what the future requires of our youngest citizens, especially in this moment of great uncertainty, I am compelled to do all I can to equip our Holley children for what lies ahead.

My service on the Board for the last three years has been a very humbling and rewarding experience. We brought in a strong leader, one who has created great change for our school and community, and he is steadily leading us through the current COVID-19 crisis. As the Board and

district lay the foundation for growth and change moving forward, the strategic look to the future is inspiring. I am so proud of our community, children, parents, staff and educators – the hard work, faith, care and dedication that everyone brings to the district daily does not go unnoticed.

At my own high school in Camden, NY, I walked under a Latin saying displayed in the main foyer: Non Scholae Sed Vitae (Seneca). After about a year, I finally had the guts to ask a teacher what exactly it meant: Not for School, but for Life, they told me. It's all our responsibility to safeguard that sacred concept; that obtaining a quality education has a lasting impact on each child and every community they become a part of. Inspired by those words, it would be a pleasure to serve this community again as a Holley Board of Education member. **Thank you** for your consideration.

Name: Robin Silvis

Address: 16395 Fourth Section Road, Holley, NY

Employment: Appointed employee and public servant of the New York

State Courts

Family: husband, Mike, daughter, Toni, and sons, Mike and Lucas; all three children are alumni of Holley CSD

School/Community Activities: I am the current Holley BOE President, and I have been an elected member of the Board since 2008. I also served as Board Vice President for four years. In addition to my BOE participation, I am on the Executive Board of the Niagara Orleans Football Association. In more than 12 years of service to the Executive Board, I have

been elected to the positions of Secretary, Statistician, First Vice Chair and Second Vice Chair. I also enjoy my involvement with the Holley Jr. Hawks. I am an active member of the Monroe County School Board's Association Board President's Committee. I miss my children's involvement in extracurricular activities and athletics at HCS. During their time in the district and for several years after they graduated, I volunteered daily for responsibilities such as team mom, cooking for events, working events and travel. We have always had, and continue to have, an amazing community; it is truly a pleasure and honor to be a member of and contributor to this community.

What motivates you to run for the Holley Board of Education? The first reason, and the one that is closest to my heart, is that I am proud to be a part

of this district. I truly love and appreciate Holley, the community and all the wonderful attributes it holds.

We all send our children to school. Most of us don't really think about what it takes to run this business of educating our children and marketing the competitive young adults that leave here to further their education or begin their adult working lives. I think about that a lot. Being on the Board gives me the opportunity to help guide, run and hopefully, bring a large portion of the community's opinions and beliefs to the table. I began sitting on the Board so many years ago that I can honestly say that I do not wish to be done. I like being proud of our accomplishments. I want to be given the chance to continue this journey and work for the community as a representative of them on this Board.

Holley Community Free Library Proposed 2020 Budget

Difficult times mandate difficult decisions. Our community library has adopted the new isolation in place policies put into effect by our Governor. We have closed our doors, but we've opened new windows. Our children's programs continue online, your library card entitles you to access any database in the NIOGA system (movies, books, CDs, e-books, etc.), and all materials are fine-free when isolation ends.

Passing the 2018 budget made the position of Children's Librarian permanent. Miss Grace has since offered 129 programs attended by 1,674 people, including 17 summer reading programs. The 2020 budget includes funding to increase her hours so that she can continue to expand programming for children and families.

Passing the 2019 budget enabled Library Director Sandy Shaw to add additional programs for adults. Twenty-two programs were attended by 244 people. Both of our librarians have been working on outreach, teaming up with the Holley Elementary School (ES) and Middle School/High School (MS/HS), borrowing books from the MS/HS Library for students to read during the summer, and partnering with Monroe 2-Orleans BOCES and Grace's Place to share resources. With this budget in place, our circulation of children, young adult and adult materials has increased from 20,793 in 2018 to 22,774 in 2019.

In addition to educational programming, the library has reached out to provide services and programs to the community such as Christmas Cards for Veterans, a hat and mitten tree for children at Holley ES, Food for Fines donations, a Community Christmas Party, and delivery of books to shut-ins. In conjunction with Holley Gardens Management, we have planned on creating and maintaining a mini-library for residents at Holley Gardens when it opens in the spring.

Your library consistently seeks to be fiscally responsible through efficient use of grants and state aid to secure improvements at no cost to the community. A new children's room and replacement of a roof and furnace were done at no community expense. We have recently applied for a grant to fix our building and make it all ADA-compliant. Once the grant is received, the cost for these items will not be passed on to our community. This is one of many grants that have been written this year to enhance the library for our patrons.

The proposed budget for 2020 is \$183,773, a 7.8% increase. Staff salaries have been raised to the mandated NYS minimum. While cuts were made in many areas, quality of service is being maintained. A Town Hall style meeting is planned in the future to answer any questions you may have. Movies for children will be shown and snacks will be available during this session.

Feel free to call Library Director Sandy Shaw at 585-638-6987 to discuss any questions or share comments.
