Holley Central School District | October 2018

## Hello Holley Families,

Since school has opened, our first month has flown by! We're off to a great start. Students, staff, parents and community members whom I've met thus far have been welcoming, making me feel right at home. I've heard it said by many that the school district is the heart of the community. I experienced it firsthand during homecoming weekend, seeing such amazing support for the parade and at our home athletic events. We have a great school district and a fantastic community that supports it.

At my opening meeting with Holley staff on August 30, I highlighted an "entry plan." The information I will gain through this process will not only help me better serve as superintendent as I learn more about Holley, but it will also help me develop a district strategic plan. This plan will be used to set improvement goals and guide our work for the future.

The entry plan involves me meeting with various district and community members and conducting "interviews" and open conversations about Holley CSD and the community. Meetings with staff are underway, and I'm setting up meetings with members of the community, including local politicians, business owners and first responders, to name a few. This

invitation extends to any parent/guardian, grandparent or community member who would like to participate as well.

You can participate in two ways: you can request to meet with me one on one or in a group (Rotary Club, Fire Department, etc.) setting. If you're interested in scheduling a time to meet with me, please contact my administrative assistant, Connie Nenni. She may be reached at 638-6316, ext. 2003 or [cnenni@holleycsd.org](mailto:cnenni@holleycsd.org). Please let Connie know if you're requesting a meeting as an individual or with a group, and your preference of meeting in my office or at your location. I will be taking notes as a way to inform my plan. Be assured that no names will be used, and your responses will be kept confidential. I am proud to serve as your superintendent and I look forward to meeting with many of you soon.

Thanks for your continued support of the Holley Central School District. Go Hawks!

Educationally yours,

Brian Bartalo  
Superintendent of Schools

## Accepting Donations for Holiday Days of Shopping Event

The Holiday Days of Shopping Event is accepting donations of new or gently used toys, books, games, puzzles, CDs, DVDs, video games, sports items, purses, jewelry, etc. suitable for children in Pre-K-grade 12. Drop off donations at the ES or MS/HS Mental Health Offices by Nov. 20. Please label them as "holiday donations." Monetary donations are also accepted.

An Amazon Wish List has been created if you'd like to contribute through a purchase on this site:  
<https://www.amazon.com/hz/wishlist/ls/1Y8YQRRXS2FRR?type=wishlist>.

The annual Holiday Days of Shopping Event, held on Nov. 29-30, allows Holley School District families to "shop" for holiday presents for their children.

**Please note:** we are unable to accept clothing, stuffed animals, and household or baby items. The Holley Community Center accepts these types of donations. Thank you for your support.

## Holiday Days of Shopping Event

All parents/guardians of Holley Central School District students are invited to "shop" for their children for the holidays on Nov. 29-30. Each parent/guardian will be able to choose a limited number of gifts for each of their children, free of charge. There are no income requirements for this event, but only one parent/guardian is able to shop for each child. This means that the second parent/guardian and other relatives cannot shop for the same child. No prior registration is needed, but we will be verifying they are Holley students at the event.

This event is held on Thursday, Nov. 29, from 11 a.m.-7 p.m. and Friday, Nov. 30, from 11 a.m.-2 p.m. in the ES Primary Gym. Please report to the ES Foyer first. Be prepared for long wait times and plan extra time in your schedule. There will be no babysitting service available, so please make other arrangements for your children.

If you have any questions, contact Kelly Bates, Elementary Social Worker, at 638-6318, extension 2558 or [kbates@holleycsd.org](mailto:kbates@holleycsd.org).

# Homecoming Week

At the MS/HS, special events took place in the week leading up to Homecoming. Each day, students dressed in class colors or in themed clothing. The Spirit Week themes were Class Color Day, Fashion Disaster Day, Movie/Book Day, Beach Day and School Colors/Sports Uniform Day. On Friday, Sept. 28, there was a pep rally in the gym, with the classes competing against each other in a hula hoop relay, beach ball run and hungry, hungry hippos game. On Friday evening, students participated in the annual Homecoming parade and float competition. Floats designed by students in grades 7-12 were featured, showcasing a countries theme. The seniors won the float competition with their USA float.

On Saturday, Sept. 29, student athletes took the stage, competing against Warsaw/Letchworth in boys' soccer games, Attica in girls' soccer games and Oakfield-Alabama/Elba in football. At the Woodlands, the Holley Varsity Girls' Soccer team beat Attica, 2-0, but the Varsity Boys' Soccer team lost to Warsaw/Letchworth, 1-2. The Varsity Football team lost to Oakfield-Alabama/Elba, 6-64.

## Holley's Football Team Begins New Season in Eight-Man League

Holley's football team started practicing for their first season of eight-man football in August. Holley is one of many small schools across the state that is switching to a new format for football. Due to declining numbers of students trying out for football, the district made the decision this spring to transition from the traditional 11-man team to eight-man football this fall.

"I feel Holley is a perfect fit for eight-man football," said Holley Central School District Athletic Director Dan Courtney. "The number of players on the field will not change the experience or growth that we strive to see in our student-athletes."

Twenty-two student-athletes are on the team this fall, with the majority of the players in eighth through 10th grades. Many of them are playing football for the school team for the first time, crossing over from other sports like soccer and cross country. "This is a builder year," said Coach Wil Prince. "We're adjusting to a new format and teaching them the skills they need to play the game. We'll be playing against teams that we haven't played against before, so it's a learning process."

The mood on the team has been positive. "We're excited," said junior Jamel Hildreth. "We've got a lot of kids on the team this year who are willing to give eight-man football a try. We'll have a lot more field to cover, but it also means more opportunities for each of us to play. I'm happy we still have a Holley team."

Holley's football team was recently featured on the "Vision High School Sports Beat" that aired on Sept. 15. To view this episode:

Holley board members are, from left, Andrea Newman, John Heise, President Brenda Swanger, Mark Porter, Vice President Robin Silvis, Anne Smith and Melissa Ierlan.

## School Board Recognition Week

New York State Governor Andrew Cuomo proclaimed School Board Recognition Week as Oct. 22-26, 2018. To quote Governor Cuomo's proclamation, "members of local school boards are dedicated to children, learning, and community, and devote many hours of service to elementary and secondary public education as they continually strive for improvement, excellence, and progress in education"; this is an accurate description of the Holley Board of Education. Thank you to the members of the board for all you do to support the Holley community. At the October board meeting, the board members were recognized for their service.

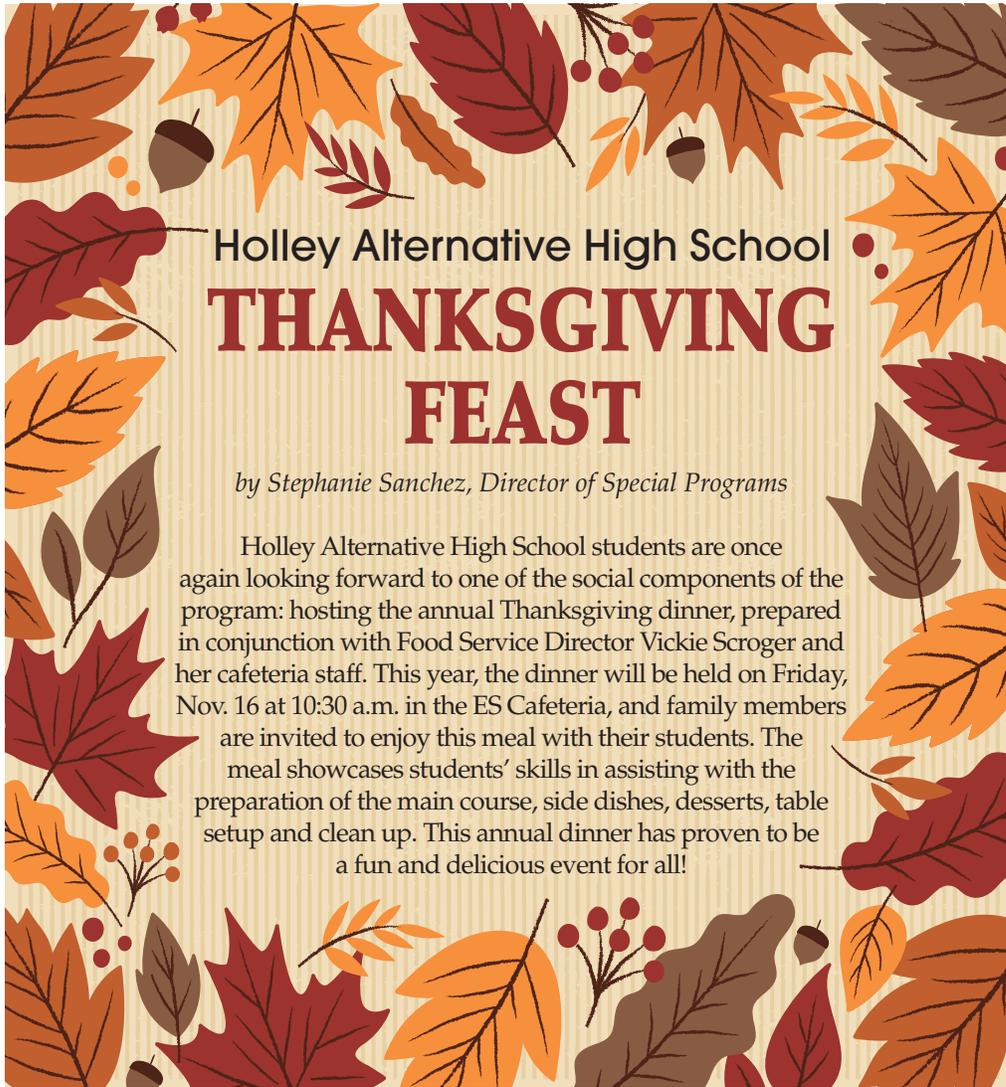

## Sports Boosters News

by Sal DeLuca, Sports Boosters President

On behalf of Sports Boosters, I would like to thank the many people who stepped up to help us this year with concessions. Volunteers included Holley Jr. Hawks, Holley CSD Faculty and Building & Grounds Department, and countless parents and community members. We would not be able to continue running the Woodlands complex without the support of all of you!

Please note, we are always looking for new members. If interested, or you have questions, please contact me directly at [sal32966@aol.com](mailto:sal32966@aol.com) or 585-259-7358.

We look forward to seeing all of you during the winter sports season.

## It's All About Apples in Pre-K

by Allison Jaworski, Pre-K Teacher

The Pre-K littles in Allison Jaworski's and Amy Bennage's room had a lot of fun celebrating Johnny Applesseed Day! Students conducted an apple experiment where they taste-tested three different kinds of apples and decided which one they liked best. They talked about apple color, whether the apple was crisp or soft, and if it tasted tart or sweet. Students practiced their pinch-grip and fine motor skills by tearing red paper into small pieces and gluing them onto a plate. After adding a stem and a leaf, their apples looked good enough to eat! Students also used their pinch-grip to place red, green and yellow pom-pom "apples" onto trees, and finished off the apple fun with apple counters.

## Pre-K Hosts Grandparents' Day

Amie Callen's Pre-K class celebrated Grandparents' Day on Sept. 28 by inviting students' grandparents to a tea of punch and cookies in the Elementary School Café. Callen and teaching assistant Alexa Downey taught the children songs and dances that they performed for the grandparents. The grandparents sang and danced to one of the songs their grandchildren taught them. The children presented keepsakes to their grandparents, which included a photo, a bookmark with their footprint on it, and a card with their handprint on it. This celebration helped the children complete their classroom unit on families.

## English Class Writes Restaurant Reviews

by Melanie Richards, English Teacher

In an effort to provide students with authentic, real-world writing experiences, Melanie Richards' Creative Writing class took a field trip to Sam's Diner in Holley to write a restaurant review. Prior to the field trip, students analyzed a variety of restaurant reviews, described their favorite restaurants and devised a list of their top priorities when choosing a restaurant. Students enjoyed the experience and developed well-written, informed reviews.
