Instructions for the District

After receiving a complaint about alleged sexual harassment, follow the District's sexual harassment prevention policies and procedures.

Generally, an investigation involves:

- 1) Speaking with the employee;
- 2) Speaking with the alleged harasser;
- 3) Interviewing witnesses; and
- 4) Collecting and reviewing any related documents.

While the process may vary from case to case, all allegations should be investigated promptly and resolved as quickly as possible. The investigation should be kept confidential to the extent possible.

Sexual harassment occurs on a spectrum and employers are encouraged to view all potential allegations with an open mind. Disciplinary action should meet the severity of the alleged actions.

The District will document the findings of the investigation and the basis for the District's decision along with any corrective actions taken. The District will notify the complainant and the individual(s) against whom the complaint was made of the investigation's outcome and, as appropriate, corrective actions taken. This may be done via email.
