

THE HAWK'S REPORT

HAWKS RISING

JANUARY 2024

Message from the Principal

We as a school community hope everyone had a restful break. Moving into the new year, there is a lot of information to share. This year January Regents will be from January 23rd until January 26th. School will be in regular session that week. We will have a half-day on January 26th and run periods 5-8 that morning. Students taking January Regents exams have been notified and a letter was sent home to families. Those students will test in the building and then return to regular class upon the conclusion of their exams. If your child stated they are taking a January Exam and you did not receive a letter, please reach out to the main office and let them know. We want to ensure all communication is getting directly to families.

We have noticed recently some students reporting broken computers. Please note if a student reports a broken computer families will receive a letter with information regarding the issue and replacement cost. It is the responsibility of Holley Middle/High School to ensure students have access to a laptop. If we do not charge for the cost of repairs or replacements, we will not be able to sustain the funds necessary to continue providing our current and future students with the materials to learn in a digital world. Payments can be made via cash, or check made out to Holley Central School District. Students or guardians may drop off payments at the Holley Middle/High School main office. A receipt will be issued upon receiving payment.

If you have any questions do not hesitate to reach out and let me know. You can reach me on my cellphone at 585-815-5459 or via email at mfeldman@holleycsd.org.

Thank you,

Mr. Feldman

January 26 - Half-Day for students with dismissal at 10:30AM. 2nd Quarter Ends

Hawk Talk (Athletics)

Dr. Goetz will be doing sports physicals on December 11. Please call the nurse to sign up.

As we are in the midst of the winter season, I want to urge all our spectators to follow the Section V motto, "Be Loud, Be Proud, Be Positive!"

Holley Central School District is committed to promoting the proper ideals of sportsmanship, ethical conduct, and fair play at all our events both home and away. The following are the expectations of spectators at all sporting events.

Spectator Code of Behavior/Ethics: It is the responsibility of the spectator to:

1. Keep cheering positive. There should be no profanity or degrading language or gestures.
2. Avoid actions that offend visiting teams, individual players, and coaches.
3. Show appreciation for good play by both teams.
4. Learn the rules of the game in order to be a better informed spectator.
5. Treat all visiting teams in a manner in which you would expect to be treated.
6. Accept the call/judgment of coaches and officials.
7. Encourage other spectators to participate in the spirit of good sportsmanship.
8. Avoid the use, abuse, and resulting negative influence of drugs, including alcohol and tobacco/vaping.

Thank you for your cooperation in the promotion of good sportsmanship!

Library

Student creativity has been shining in the library this past month! February is Black History Month, and the Library Club did an excellent job in creating our book display. Be sure to check it out! In addition to coming to the library for clubs, books, classes, group projects, and individual schoolwork, students have been coloring, helping with plants, creating their own versions of games, practicing skits, and more! We love seeing students working together and learning for both school and to explore their own interests. Our library pet, Norbert, has gotten lots of love lately too! Mrs. Ellis' photography class even used him as their model! Stop by to see him in his enclosure, finding him can often be like our own version of Where's Waldo!
