A Message from the Superintendent

Greetings Holley!

The first month of our school year has come and gone, and we're well on our way to another great year! We have a lot of exciting things happening, and I'm pleased that

you're reading this month's Dimension to see all that's going on in our district. I encourage you to continue to check out our district website, follow us on Twitter and read each issue of the Dimension.

As I've highlighted previously, all of our students can receive free breakfasts and lunches at school daily, with no required paperwork. The Holley Central School District was approved by the New York State Education Department to participate in the Community Eligibility Provision (CEP) program beginning this school year. Schools that are in high poverty areas that currently participate in the School Breakfast and National School Lunch Programs are eligible for the CEP program. We feel fortunate that all our students continue to have access to nutritious meals at school at no cost to our families. I want to encourage everyone to participate in this program; I'm happy to see our participant

numbers increase as we rollout this program for the first time. As a reminder, upon request for half days of school, **Take Home Bag Lunches** will be offered at no charge. **Lunches must be preordered;** order forms will be sent home with elementary students the week prior to each early dismissal day. We look forward to continuing to serve our students in this way!

We are excited about many other initiatives in our district this year. We have rolled out our 1:1 technology program, and currently our fifth and ninth grade students are using their own school-issued laptops. Our first graders are set to receive their devices next. At this time, our ninth graders are the only students who bring their devices home. We have plans to expand our 1:1 rollout, possibly providing a device to each 10th grader this year based on our available inventory. It's an exciting time for teaching and learning, with these brand new devices in the hands of our students and staff.

We have been focused on our middle school this year, and we have made some changes to address the specific needs of this important age group of students. Matt Hennard is a "teacher on special assignment" (TOSA), and he is our Middle School Coordinator. He is supporting all seventh and eighth grade students and staff. We have put in

place some changes such as new expectations (e.g., no cell phone use during the day for middle school students), and moving our middle level students to the same hallway. Our middle level teachers will be meeting throughout the year to address the academic, social and emotional needs of this specific age group of students.

Our Elementary School is engaging in a new "Positivity Project" that is addressing many social and emotional aspects of our students. It is aimed at creating a very positive and productive culture and learning environment. The Elementary School is also involved in a "One School One Book" project. Everyone in the school community (including faculty, staff and family members) is reading the same novel, and sharing experiences and lessons from it. It's been a huge success so far! If you haven't gotten a copy yet, pick up "The Adventures of a South Pole Pig," by Chris Kurtz, and read along with us!

Thanks for your continued support of the Holley Central School District.

Go Hawks!

Accepting Donations for Holleydays of Shopping Event

The Holleydays of Shopping event is accepting donations of **new** toys, books, games, puzzles, CDs, DVDs, video games, sports items, purses, jewelry, etc. suitable for children in Pre-K-grade 12. Drop off donations at the ES or MS/HS Mental Health Offices by Dec. 3. Please label them as "Holleyday donations." Monetary donations are also accepted.

The annual Holleydays of Shopping event, held on Dec. 5-6, allows Holley School District families to "shop" for holiday presents for their children.

Please note: we are unable to accept clothing, stuffed animals, and household or baby items. The Holley Community Center accepts these types of donations.

Thank you for your support.

Holleydays of Shopping Event

All parents/guardians of Holley Central School District students are invited to "shop" for their children for the holidays on Dec. 5-6. Each parent/guardian will be able to choose a limited number of gifts for each of their children, free of charge. There are no income requirements for this event, but only one parent/guardian is able to shop for each child. This means that the second parent/guardian and other relatives cannot shop for the same child. No prior registration is needed, but we will be verifying they are Holley students at the event.

This event is held on Thursday, Dec. 5, from 11 a.m.-7 p.m. and Friday, Dec. 6, from 11 a.m.-2 p.m. in the ES Primary Gym. Please report to the ES Foyer first. Be prepared for long wait times and plan extra time in your schedule. There will be no babysitting service available, so please make other arrangements for your children.

If you have any questions, contact Kelly Bates, Elementary Social Worker, at 638-6318, extension 2558 or kbates@holleycsd.org.

Homecoming Week

At the MS/HS, special events took place in the week leading up to Homecoming. Each day, students dressed in themed clothing. The Spirit Week themes were Color Day, America/Patriotic Day, Meme Day, Twins Day and School Spirit Day. On Friday, Sept. 27, there was a pep rally in the gym, with classes competing against each other in a hula hoop relay, plunger race and relay race. On Friday evening, students participated in the annual Homecoming parade and float competition. Floats designed by students in grades 7-12 were featured, showcasing a video games theme.

The seniors won the float competition with their Mario Kart float.

On Friday night and all day Saturday, Sept. 28, student athletes took the stage. In their first "Friday Night Lights" game, the Varsity Football team beat Dundee, 40-14. At the Woodlands on Saturday, the Holley Varsity Boys' Soccer team beat Royalton Hartland, 3-1, and the Varsity Girls' Soccer team beat Eastridge, 2-1.

School Board Recognition Week

New York State Governor Andrew Cuomo proclaimed School Board Recognition Week as Oct. 21-25, 2019. To quote Governor Cuomo's proclamation, "members of local school boards are dedicated to children, learning, and community, and devote many hours of service to elementary and secondary public education as they continually strive for improvement, excellence, and progress in education"; this is an accurate description of the Holley Board of Education. Thank you to the members of the board for all you do to support the Holley community. At the October board meeting, the board members were recognized for their service.

Holley board members are, from left, Melissa Ierlan, Vice President John Heise, Anne Winkley, Anne Smith, President Robin Silvis, Mark Porter and Andrea Newman.

Holley Alternative High School Thanksgiving Feast

by Stephanie Sanchez, Director of Special Programs

Holley Alternative High School students are once again looking forward to one of the social components of the program: hosting the annual Thanksgiving dinner, prepared in conjunction with Food Service Director Vickie Scroger and her cafeteria staff. This year, the dinner will be held on Tuesday, Nov. 26 at 10:30 a.m. in the ES Cafeteria, and family members are invited to enjoy this meal with their students. The meal showcases students' skills in assisting with the preparation of the main course, side dishes, desserts, table setup and clean up. This annual dinner has proven to be a fun and delicious event for all!

American Red Cross Blood Drive Oct. 29

The Senior High School Student Council is hosting the next American Red Cross Blood Drive on Tuesday, Oct. 29, from 10 a.m.-4 p.m. in the MS/HS Auditorium. To register for the blood drive in advance, visit https://www.redcrossblood.org/give.html/drive-results?zipSponsor=10nyp&utm_source=siebel&utm_medium=email&utm_campaign=bdc_email. Walk-ins are also welcome. If you have questions, contact Jim Di Sessa at jdisessa@holleycsd.org or 585-507-1623. We were able to help over 200 people with the donations that were made last year, and we earned \$500 in scholarships for our students. Thanks for your support!

School Supply Donations Happily Received

Holley Central School District was the recipient of several donations of school supplies from local groups. St. Mary's and St. Mark's Churches, working with the Holley Community Center, donated 20 full backpacks to specific families who have students in Pre-K-grade 12. They researched what each child at each grade level would need and provided all of the school supplies. Several local Holley businesses collaboratively donated 60 backpacks and over \$1,000 in school supplies for students. "We received six cases of tissues alone," said ES Principal Karri Schiavone. "These local businesses were able to band together to give us pallets of supplies. It's wonderful!"

For the second year, Bonduelle USA Inc. donated 12 backpacks full of school supplies for students. They paired each backpack with a Webkinz stuffed animal that coordinated with the style of the backpack. Principal Schiavone will roll these backpacks out to students who join the ES throughout the year. "The Webkinz are such a welcoming gesture to new students," she said. "They find such comfort in having a new 'friend' at Holley."

Thank you to all of the local organizations who donated school supplies; they are very much appreciated!

Security Keeps Holley Safe

The men walking the hallways and grounds of the Holley campuses are there to serve one purpose: to keep everyone safe. They are the security force at Holley, employed by C.O.P. Security. The five men are retired deputies and officers from local law enforcement agencies. They spend their days, evenings and weekends patrolling the Holley school properties inside and out, monitoring the security cameras and supervising the various events on campus. They enjoy working with the students and staff. The officers who keep our schools safe are:

Chris Vigliotti
ES

Vigliotti is a retired lieutenant with the Monroe County Sheriff's Office with 25 years of service.

Mike Roffe
MS/HS

Roffe is a retired sergeant from the Greece Police Department with 24 years of service, including 12 years as a criminal investigator.

Drew Frate
MS/HS

Frate is a retired sergeant with the Monroe County Sheriff's Office with 25 years of service.

Roger Cole

Food for Families

Holiday recess is fast approaching in December. We know that two weeks with no school in session means hungry mouths to feed. Our Food for Families program can help with those "extra" meals that the kids will now be home for. This program provides your family with a small bag of food to help get through the weeks off from school. This program is first come, first served, so please call Roxanne Wagner in the MS/HS Main Office at 638-6318, extension 5500 to reserve your food. The registration deadline is Wednesday, Dec. 18 by 1 p.m. Unfortunately, there is no "drop off" service. You will need to pick up your food on Dec. 19 from 9 a.m.-3 p.m. at the Holley Community Center.

RAC Visit Helps Juniors and Seniors Explore College Options

On Sept. 30, 14 area colleges hosted information booths in the MS/HS Gym. Juniors and seniors were invited to speak with college representatives to learn more about academic programs and the application process, and obtain answers to any questions they may have about the college experience. The Rochester Area Colleges (RAC) sponsored the visit to Holley. This is the ninth year Holley has participated in the program. The following schools were represented at the event:

- Alfred State College
- Alfred University
- Finger Lakes Community College
- Genesee Community College
- Houghton College
- Keuka College
- Monroe Community College
- Nazareth College
- Roberts Wesleyan College
- Rochester Institute of Technology
- St. John Fisher College

Real-Life Applications Class Creates Character Ed Wall

by Jim Di Sessa, Business Teacher

The Real-Life Applications class worked on a character education wall project recently. Each group was given a character education trait and tasked with making a visual display of that trait. The students exceeded our expectations and came up with a lot of really great displays!

Family Literacy Nights Return

The Elementary Library will once again sponsor themed literacy nights this year. Families are invited to attend these evening events in the ES Library and read together. Books, activities, computers and snacks will be provided, as well as a quiet, warm space for snuggling up with great stories!

Family Literacy Nights will be held from 6:30-8 p.m. on the following dates:

- November 7, 2019
- February 6, 2020
- April 30, 2020

The theme for November's event will be a celebration of "being thankful." We hope to see you there!

Life Skills Class Works as a Team

by Lynnette Short, Special Education Teacher

The Life Skills class recently worked on their Teambuilding Unit. Taught by Special Education Teacher Lynnette Short, Speech Language Therapist Anna LaForce and Teacher Jason Maihofer, students participated in the Peanut Butter and Jelly Challenge. This event involved teams of four students working together to create the best peanut butter and jelly sandwich. One member of the team was the body, another the hands, and the last two members alternated providing instructions. Students learned the value of each member as they worked as a team towards a common goal. They also learned the challenges and rewards of being part of a team.

Fifth Grade Teamwork Project

by Fifth Grade Teachers

Fifth grade students embraced the Positivity Project trait of the week "teamwork" by building a catapult with their teammates. Students were randomly placed into groups of three to construct a catapult using rubber bands, popsicle sticks, spoons and bottle caps with only a picture as a guide. Each group worked together to come up with a plan to build a structure that would launch a pom-pom as far as possible. Great work, kids!

Counseling News

SENIORS should have toured colleges over the summer break and now be narrowing their search. They should register to take the **SAT and/or ACT** sometime in the fall. Online registration is available for the SAT at www.collegeboard.com and for the ACT at www.actstudent.org. Seniors should be working on their college applications and aim to complete them by Thanksgiving. Check the application deadline of each college you are applying to, as they may differ. When requesting letters of recommendation from teachers as part of the college application process, please allow them ample time to complete them. Students are encouraged to register with each college's Educational Opportunity Program (EOP). More information will be given to juniors and seniors in regards to eligibility for EOP. Any questions, please contact each college directly.

JUNIORS that plan on attending a four-year college: the SATs/ACTs are required for admission. Please register for these exams! Students should contact their counselors with any questions.

GCC Instant Admit Day

We welcomed Jaime Lyndaker from the Albion campus of Genesee Community College (GCC) on Oct. 8. She provided instant admission to GCC, a free service for our seniors. She answered questions related to college readiness, placement testing and financial aid/scholarship information.

Please visit the counseling website (<http://www.holleycsd.org/MSHSCounseling.aspx>) for additional information. **Scholarships** are listed as they are received. Feel free to review these scholarships and pay particular attention to the deadline dates. For questions, contact Kristina Tese at ktese@holleycsd.org.

You are invited

to the Veterans Day Assembly
on Friday, Nov. 8 at 2 p.m.
in the Intermediate Gym at
Holley Elementary School.

Pre-K Hosts Grandparents' Day

Amie Callen's Pre-K class celebrated Grandparents' Day on Sept. 26 by inviting students' grandparents to a tea of punch and cookies in the Elementary School Café. Callen and teaching assistant Corrinna Shepherd taught the children songs and dances that they performed for the grandparents. The grandparents sang and danced to one of the songs their grandchildren taught them. The children presented keepsakes to their grandparents, which included a photo, a bookmark with their footprint on it, and a card with their handprint on it. This celebration helped the children complete their classroom unit on families.

Reading Dogs Help Students

by Lynette Short, Special Education Teacher

The Holley Reading Dogs are in their 13th season in the district! This year, Special Education Teacher Lynnette Short welcomed Kathy Smith and her pug, Kei, and Pat Bidwell and her Corgi, Wiley. They join Dave Cosman and his Lab mix, Savannah, in meeting with students. Kathy Fuller and her Havanese pups will not be returning this year as they are pursuing their agility training. We miss them, as they have accompanied Dave for the last seven years.

The Reading Dogs visit the MS/HS on Wednesdays to sit with small groups of students. Students read books to the dogs, pet them and talk with them. The dogs seem to understand they are performing a service. They trot right to the classroom and get down to business. They roll over onto their backs as if to say, "Rub my belly and read me a story." I think I catch them smiling from ear-to-ear.

Therapy dog handlers have noticed an improvement in student reading and confidence levels over the years. It's therapeutic for all who come in contact with the dogs. We look forward to the weekly visits and appreciate the time donated by the handlers.

From left, Savannah, Dave Cosman, Pat Bidwell, Wiley, Lynnette Short, Kei and Kathy Smith.

Students of the Month for September

Holley Central Schools recognizes Students of the Month in grades K-12. Elementary students are nominated from each classroom, and middle and high school students are nominated in each subject area, all on a monthly basis. At the ES, each student receives a certificate with their photo on it and the nomination from their teacher written on it. A group photo of the elementary students is displayed in the hallway near the ES Library. A group photo of the MS/HS students is displayed outside the MS/HS Counseling Office and then filed in a binder in the MS/HS Main Office. MS/HS students also receive Dining Hall vouchers for food and their names are read aloud on the announcements.

Once each month, students of the month from grades K-12 have breakfast together with the principals in the Elementary Café or MS/HS Dining Hall (location rotates monthly). Breakfast is supplied by Food Service Director Vickie Scroger and her cafeteria staff.
