Message from the Principal

We hope you welcome the 1st edition of the Holley Middle/High School's monthly newsletter, The Hawk's Report.

As a school, we want to ensure we have open and honest communication with families. September can be an exciting time for some, and for others it may be a time of nervousness. We are here to support each student and hope that as the year progresses each student feels they are part of the Holley family. We are on Holley.

We have three commitments this year. We commit to ensuring each student is engaged in their school community (Engagement). We commit to ensuring each student feels accepted (Equity). We commit to ensuring each student receives the support needed to succeed (MTSS). These commitments are our driving force as we cultivate a collaborative environment in which each student succeeds academically, socially, and emotionally. If you have any questions, do not hesitate to reach out.

Mr. Feldman

Counseling Corner

Welcome back! We are excited to see you! Lots of important dates coming up.

Your counselors will be going into Junior classes to talk about the PSAT Exam. If you are taking a GCC class your registration will need to be done by early October.

The end of the month going into October, your counselors will be meeting with Seniors to go over your post-graduate plans.

Library

Ms. Reber and Mrs. Foster are excited to welcome you in the library this year! The library is full of resources for you (including assistance from the librarians) to help with your classes and to explore other interest areas. Of course, we have tons of great books as well! Don't forget to join us for Maker Fridays! We look forward to seeing you soon!

Hawk Talk (Athletics)

Our fall sports season is off to a great start! Our modified sports will begin on September 7th. Athletic schedules are available at:

<https://www.sectionvny.org/public/genie/783/school/3378/>

A coaches directory can be found at:

<https://www.sectionvny.org/public/coach/genie/783/school/3378/?page=1>

Athletes who stay on campus until practice begins must be supervised by a staff member. Athletes not with a coach or teacher are to report to Hawks' Nest at the end of the school day until 3:30, unless their coach will arrive earlier to bring them to practice. Hawks' Nest is located in the cafeteria unless otherwise noted by announcement.

Dr. Goetz will be here 9/12 at 9:30AM

Music and Art

The Fine Arts Department is excited to get started on the 22-23 school year! Students in Band and Choir will be getting acclimated to their ensembles and preparing music for upcoming concerts. Jazz Band will be starting mid-September and will be looking to build their success from their debut last year! Art students will be getting settled into their courses and electives to get their creative juices flowing again. Art Club will be meeting again to begin planning fundraisers, field trips, and the Art Show in March. Keep an eye out for all the amazing things our Fine Arts students will be involved in throughout the year!
