The Board of Education of the Holley Central School District (the “District”), acting in public session, hereby adopts this Annual Professional Performance Plan Statement (the “APPR Plan Statement”) for those of its classroom teachers who will become covered by the annual professional performance review provisions of Chapter 103 of the Laws of 2010 during the 2011-12 school year.

### **(1) Definition of Covered Teachers**

Any existing previously approved Annual Professional Development Performance Review (APPR) procedures pursuant to Section 100.2 of the Rules and Regulations of the Commissioner of Education remain in effect for teachers and principals who are NOT subject to Section 3012-c of New York State Education law.

### **(2) Ensuring Accurate Teacher and Student Data**

The District shall provide accurate data to the State Education Department (the “SED”) in a format and timeline prescribed by the Commissioner. The District shall also provide an opportunity for every covered teacher to verify the subjects and/or student rosters assigned to him/her. The Building Principals, Director of Special Programs and Director of Instruction shall be designated as the Data Coordinators who shall be in charge of collecting the required data, overseeing changes in and maintenance of the local data management systems, and ensuring the accuracy of the data. The Data Coordinators shall have the authority to assign tasks and deadlines, as required.

### **(3) Reporting Individual Subcomponent Scores**

The Data Coordinators shall be responsible for reporting to the SED the individual subcomponent scores and the total composite effectiveness score for each covered classroom teacher in the District, and shall do so in a format and timeline prescribed by the Commissioner.

### **(4) Development, Security and Scoring of Assessments**

The Data Coordinators shall be responsible for overseeing the assessment development, security, and scoring processes utilized by the District, and shall take steps to ensure that any assessments and/or measures used to evaluate teachers are not disseminated to students before administration, and that teachers do not have a vested interest in the outcome of the assessments they score.

### **(5) Details of the District’s Evaluation System**

The details of the District’s Chapter 103 evaluation system cannot be described at this time because those details must be determined through collective negotiations with the bargaining agent of the covered teachers, and such negotiations have not been finalized. Upon the completion of the negotiations, the APPR Plan will be amended to reflect the agreed-upon procedures.

**(6) Details of Timely and Constructive Feedback Provided to Teachers**

The details of how the District shall provide timely and constructive feedback to teachers under Chapter 103 cannot be described at this time because those details must be determined through collective negotiations with the bargaining agent of the covered teachers, and such negotiations have not been finalized. Upon the completion of the negotiations, the APPR Plan will be amended to reflect the agreed-upon procedures.

**(7) Appeals of Annual Professional Performance Reviews**

The details of the District's procedure for resolving appeals of annual professional performance reviews under Chapter 103 cannot be described at this time because those details must be determined through collective negotiations with the bargaining agent of the covered teachers, and such negotiations have not been finalized. Upon the completion of the negotiations, the APPR Plan will be amended to reflect the agreed-upon procedures.

**(8) Duration and Nature of Training Provided to Evaluators and Lead Evaluators**

(a) The "lead evaluator" is the administrator who is primarily responsible for a teacher's evaluation under Chapter 103. The term "evaluator" shall include any administrator who conducts an observation or evaluation of a teacher.

(b) All evaluators shall successfully complete a training course that meets the minimum requirements prescribed in Chapter 103 and Section 30-2.9 of the regulations thereunder. Such training shall include application and use of the State-approved teacher practice rubric(s) selected by the District for use in evaluations.

(c) Once an evaluator has successfully completed a training course meeting the minimum requirements prescribed in the law and regulations, he/she shall be deemed to be certified by the District as a lead evaluator.

(d) Other details of the District's training for evaluators and lead evaluators, including the duration and nature of such training and the process for certifying lead evaluators, cannot be described at this time pending the outcome of collective bargaining negotiations with the representative of the covered teachers over the selection of a teacher practice rubric and other related negotiable issues. Upon the completion of these negotiations, the APPR Plan will be amended to reflect the agreed-upon procedures.

(e) Nothing herein shall be construed to prohibit an evaluator who is properly certified by the State as a school administrator from conducting classroom observations or school visits as part of an annual professional performance review under Chapter 103 prior to completion of the training required by said Chapter or the regulations thereunder, as long as such training is successfully completed prior to completion of the annual professional performance review.

**(9) Required Certificates**

The District shall include with the APPR Plan any certifications required by the law or regulations upon the completion of collective negotiations with the bargaining agent of the covered teachers.

**(10) Effect on Existing Collective Bargaining Agreements**

Nothing herein shall be construed to abrogate any conflicting provisions of collective bargaining agreements in effect on July 1, 2010.

**(11) Filing and Publication of APPR Plan**

This APPR Plan Statement shall be filed in the District Office, and shall be made available to the public on the District's website by September 10, 2011, or within ten days after its adoption, whichever shall later occur.
