August 4, 2022

Dear Parents/Guardians and Students,

Welcome to the new 7th grade class of 2028! We are excited to have you join the Middle/High School Hawk family. And welcome back to all 8th graders, Freshman, Sophomores, Juniors, and Seniors. We are looking forward to another great year of growth and learning.

Shortly you should be receiving via postal mail the 2022-2023 “Welcome Packet”. It will have important information such as your schedule, important paperwork, parent/student handbook, important events, contact information, etc. Schedules will also be available for preview on Schooltool.

A counselor will be available August 22-25 from 8:00am-2:00pm to add classes to your schedule. This opportunity to add classes will be by appointment only. This is not a time to drop and/or move classes in your schedule. All required classes are in your schedule; however we encourage you to add elective classes where you may currently have a study hall.

Please contact Penny Cole in the counseling office at 638-6335 ext. 5510 to make an appointment with Mr. Ruff or Ms. Solazzo to add classes. If you come to the counseling office without making an appointment, you may have to wait for a counselor to become available or make an appointment for a future time.

Our doors are open for input on all matters regarding your child’s education. We look forward to working with you throughout the school year.

Sincerely,

Matt Feldman, MS/HS Principal
Dan Courtney, Assistant Principal/Athletic Director
Nicole Solazzo, School Counselor
Andrew Ruff, School Counselor
